## TEACHING INTERNSHIP PROGRAM

**Have you ever considered pursuing a teaching career while gaining hands-on experience through a paid school internship?**

Would you like to receive a formal qualification, whilst practising what you love, earning an income and launching your career whilst you study?

Introducing an innovative program brought to you by Christian Schools around Victoria, joining forces with Eastern College Australia and the CITE Alliance Victoria.

**Government scholarship initiative available. Visit: [vic.gov.au/scholarships-secondary-teaching-degrees](https://vic.gov.au/scholarships-secondary-teaching-degrees) for more information**

Regional and Rural Students explore our Online Synchronous Model.

- Become equipped to teach in a school you know the moment you graduate.
- Get paid to work while you're studying and preparing yourself for a rewarding career in teaching.
- Develop as a reflective practitioner and build the relevant skills needed for a new generation of educators.

**Get in touch with your School Principal today, to discuss employment-based study options.**
